Khare Legal Chambers® LLP

vision

Impact complex global business environment with pragmatic legal acumen enabling clients to make a difference, maintain their leadership position, to enable clients to be a game changer for their business.

mission

Provide outstanding experience to clients.

approach

Simple, practical, implementable solutions to complex business environment.

That's what we do, and that's what we continually aspire for. We provide simplified, practical and implementable solutions to complex legal issues which arise from complex business issues. We provide solutions which are aligned to client's business interests and integrated to client's core values. We have come this far due to our passion and commitment towards enabling our clients to gain a leadership position in their respective industry segments.

By this, we intend to be one of the factors to help our clients achieve, consolidate and retain their leadership position in their respective businesses. We believe that we are an "investment" for our clients rather than a "cost"... that is how we define **SUCCESS**.

It is our belief that companies must invest in experts who can guide them in conducting the business in a pragmatic manner which helps the business in improving their bottom line. Involving legal experts in decision making is a "must have" characteristic of any company for effective risk mitigation and to consolidate growth.

know us

Khare Legal Chambers LLP, Advocates is a leading Indian commercial law firm. Over the years we have garnered reputation, for our notable work across energy, infrastructure, mining, maritime, regulatory affairs, disputes, and competition (antitrust) law. We have provided our services to Fortune 10, 100 and 500 companies along with many leading Indian large and medium tier corporates, high net worth individuals and private clients.

As a Firm, we focus on providing practical, simplified, implementable solutions to our clients, recognizing the importance of client service and satisfaction. We advise and represent on commercial disputes, transactional and corporate matters including contracts, commercial issues, regulatory affairs, finance, and property.

In India, we have our offices in Mumbai, New Delhi, Pune and Hyderabad. Internationally, we have alliance with law firms in all major jurisdictions which cover all possible areas of law which our clients may require.

Most important to us is the individual requirement of our clients. We provide personalized tailor made legal solutions for each of our client for each issue independent of advice provided for similar issue earlier.

Central to our ethos, our approach to our practice, is our philosophy of the '5 Cs', that is:

Clients

Communication

Creativity

Costs

Consistency

We help corporate organisations work smarter in a competitive environment. We intend to be the catalyst in building effective organisation, reduce costs, manage risk, and leverage talent.

The Firm was established by Abhishek Khare (an Alumnus of University Of Oxford) in September 2007.

how do we do this

By building & nurturing every relationship. We listen with interest and understanding. Our team spends time to delve into business intricacies to attain in depth understanding and nuances which impact clients' decision making.

We help clients take their business decisions, rather than just lay down various dimensions and options. This enables us to create value for clients, which drives business decisions – benefits of which are realized and reaped for many years to come.

We believe every legal solution must make business sense for it to be successful. We do not believe in theoretical legal solution but a legal business remedy coupled with effective **STRATEGY**.

your **belief** in us

We are here because of our clients. They have shown belief in our expertise, making us one of the fastest growing corporate commercial law practices in India. Our clients' confidence in us has helped us to service Fortune 10, 100 and 500 companies, along with many leading Indian large and medium sized corporates, high net worth individuals and private clients.

what we bring to the table:

- Experts first and lawyers afterwards
- Combination of legal ability and business acumen
- Careful and analytical approach

what **differentiates** us

Engage. Focus. Integrate Core Values. Empower. Drive Growth.

We engage with our clients, to understand our clients' requirements, focus on them to provide best suitable solutions. We have highest regard for integrity, ethics and core values; our clients' and ours.

We provide solutions which are aligned to our clients' business interests and integrated to core values, which enable our clients to take better informed decisions. This empowers our clients and drives growth.
